

Introducing **Class123**

Why teachers love Class123

Maria Gmitro

Positive behaviors greatly increased!

Vincent Huynh

Truly enhanced my classroom management!

Kinam Kang

Communicate better with parents and students.

Erika Bushey

It's wonderful to set personal and group goals for behavior as well as academics.

Suzette Steers

I like how I can share student's behavior with parents on a daily basis, it saved me a lot of time.

See everything at Class Home

The screenshot displays the 'Smart Class123' Class Home interface. At the top, a navigation bar includes a back arrow, the title 'Smart Class123', and various system icons. A green sidebar on the left contains icons for 'My Class', 'Tools', and settings. The main area features a light blue background with a central path of white stars, each containing a student's avatar and name. The students shown are Robert Pattinson, Amy Adams, Kristen Stewart, Johnny Depp, and Andrew Garfield, arranged in a circular pattern. A yellow callout bubble points to the sidebar with the text 'Choose the type of side bar you like here'. Another yellow callout bubble points to the star path with the text 'Latest rewarded students go here!'. On the right, a green box prompts 'Next Goal : ?' and 'Set next class goals!'. A large golden egg with the number '21' is prominently displayed, with a callout bubble stating 'One golden egg is created for every 10 wow cards students have earned.' At the bottom right, a status bar shows a star icon with '229', a cloud icon with '15', and a small golden egg icon with '21'.
